

MAKE TODAY A **PERFECT HSE DAY**

The Costs and Risks of Non-Compliance

Our License to Operate

Christopher Cullison, HSE Manager
Central Valley Chemical Safety Day
March 20, 2015

2005

- Operating Procedures
 - Start up after turnaround

2010

- Mechanical Integrity
- Operating Procedures
 - Start up

2012

2013

- Mechanical Integrity
- Process Safety Information
 - Material of Construction

- Emergency planning

2014

- Are you ready to answer questions, on camera?
- Could your business survive a high-consequence incident?
- Compliance is our license to operate, from the communities we serve.
