Stanislaus County Department of Environmental Resources

The 2019 Central Valley Chemical Safety Day (CVCSD) held in Turlock at the Stanislaus County Fairgrounds in November of 2019 was a tremendous success and was well received by everyone who attended. Due to the COVID-19 pandemic, this year's event will be held virtually, beginning on November 30, 2020. The event will be available to online attendees November 30 through December 31, 2020. This seminar/workshop is designed to provide education and training regarding the safe handling of anhydrous ammonia, chlorine, sulfur dioxide and other hazardous materials at refrigeration facilities, power generators and other industries. We are excited to offer you the opportunity of participating as a sponsor at this event.

The theme of this year's virtual event is "Masking 4 Safety".

As this is a **nonprofit event**, our intent is to provide the entire seminar without cost to attendees. All monies collected are to be used to fund this and future events. The committee consists of people from various industries, contractors, suppliers, consultants, regulators and educators who volunteer their time to make this event a success. Those involved with the planning do not receive compensation.

We will be offering two (2) levels of sponsorship for this year's virtual event. Levels of sponsorship are listed below along with a description of the sponsor benefits:

Logo Sponsor	\$ 300 - logo will be displayed during presentations
Promo Sponsor	\$ 400 - a promotional ad for your company, of up to 3 minutes in length, will precede a presentation.

We encourage sponsors to consider offering a raffle prize, which will be highlighted at the end of a presentation. Those attendees that reach the end of a presentation will be informed of the raffle prize & how to contact the sponsor to be included in the raffle drawing. This will benefit the sponsor by growing your contact base.

SPONSOR BENEFITS

All sponsors will have their company names displayed on the agenda and throughout the day during slideshows. In addition, links to company web sites from our web site through their logos are provided. Sponsor benefits include:

- * Promo Sponsors will receive up to 3 minutes of promotional airtime prior to a presentation.
- * All Sponsors will have their company names displayed on the agenda and during virtual presentations.
- * All sponsoring companies may post job openings on our website at no charge for 90 days.

We have included a Sponsor's Registration Form for you to submit along with your contribution. We look forward to your involvement and support. Please fill out or verify the information on the attached form completely so we may ensure our database is accurate. Thank you in advance for your help and participation.
